ABIA AȘTEPTAM SA TE VEDEM!

teamZUKUNFT gGmbH

teamZUKUNFT gGmbH is a recognized non-statutory sector children's agency. It provides time-out measures, independent living, outpatient help for education, one-to-one intermediate treatment as well as holiday camps with intensive support for children and adolescents burdened with multiple problems.

We have been working as a provider for experiential and social education since 1999. Therefore we were able to gain countless experience in pedagogical work with children and young adults. At the end of 2015, we expanded our field of activity and started social pedagogical services for children, young adults and families.

Based on our experience in individual and experiential education, we create customized care plans and adaptable problem-solving strategies to meet the unique requirements of our clients. Therefore we try to provide support, create new perspectives and enable participation in society.

IU - INTERNATIONAL UNIVERSITY OF APPLIED SCIENCES

The IU International University of Applied Sciences is an educational institution known for its innovative and practice-oriented teaching approach. With a wide range of programs and an international focus, IU offers its students the opportunity to integrate theory and practice through a dual study program.

In addition to academic education, IU places great emphasis on the personal development of its students. An extensive selection of additional programs, such as soft skill seminars, language courses, and intercultural training, support students in becoming confident and competent individuals.

Overall, IU International University of Applied Sciences provides its students with excellent education in an inspiring and international environment, giving them the best possible start for their future careers.

JOIN OUR TEAM AS A SCHOLARSHIP PROGRAM STUDENT!

The scholarship program offers dedicated students the unique opportunity to pursue a fully funded degree in Social Work in Germany at IU International University of Applied Sciences. Following the completion of the degree, participants will get the opportunity to acquire one year of practical work experience. The entire duration of the scholarship spans over 4.5 years, providing a comprehensive and enriching educational and professional experience.

Upon successful completion of the degree, you will continue to have the opportunity to gain one year of practical experience in the field of Social Work at teamZUKUNFT gGmbH. This integrated approach not only offers in-depth professional practice but also allows you to strengthen your intercultural competencies.

During the scholarship at teamZUKUNFT gGmbH, you will have the chance to create supportive environments for children and adolescents, provide counseling to families, and guide young people in their development.

AFTER COMPLETING YOUR DEGREE

After completing your studies, a wide range of opportunities awaits you to shape your career. Following the conclusion of your scholarship, you have the option to continue working with us at the company and further develop your skills as a professional.

You can choose to pursue a master's degree, advanced studies, or participate in continuing education programs in your field. We support these additional qualifications and they can be completed alongside your work with us.

TAKE YOUR CHANCE!

We offer you the unique chance to join our team and work with us for a period of 4.5 years (or more) in Germany. Working with us enables and offers you many advantages:

- **Unforgettable experiences**
The time abroad will be unforgettable and you will always remember it back!
- **Make new friends**
Use your time abroad to get to know new people! Maintain acquaintances and friendships with locals. You will for sure gain a deep “insider knowledge” about the life and culture in the country.
- **Language skills**
If you decide to spend time abroad, you will gain valuable, comprehensive knowledge of foreign languages. You will train and strengthen your listening comprehension as well as your reading, speaking and writing skills.
- **Broaden your horizon**
By a time abroad you will get out of your comfort zone into new perspectives. Get to know a new routine and learn new skills.
- **Development of your personality**
Those who spend time abroad learn a lot about themselves, the people in Germany and about working together with us in a big team. In a foreign country, you are almost continuously faced with new, strange, and often challenging situations that need to be mastered. When you finally return from your time abroad to your home country, you have gained more independence and your personality will be reshaped for sure.
